Massachusetts Institute of Technology

Future of Diversity and Inclusion Working Group

Purpose

Determine the ideal structure and scope of the diversity and inclusion efforts of the GSC, and develop a proposal to enact the necessary changes so that the GSC can better support sustained engagement on diversity and inclusion for many years to come.

Timeline of FDIWG so far

- Fall: Informal discussions with members of DIS and other stakeholders
- December: Formed FDIWG
- January: Series of meetings on five major themes
  - Advocacy and statements
  - Communication and community
  - Relationships with student groups
  - Relationships with MIT's Administration
  - Relationships within the GSC
- February-March: Decision-making workshops
  - Identification of all possible actions for preliminary recommendations
  - Assessing priority and feasibility of each
  - Gathering external feedback
  - Full list (please comment on it!) at https://docs.google.com/document/d/1hDaiuCVN8RO230-Qs_Dek5b1Ov8n6zJGWeGlMo9gBS4/edit

Preliminary Recommendation Themes

- D&I Representation on ExComm
  - Broad agreement on a full voting D&I member of ExComm
  - More on this later!
- D&I Representation on Council
  - Clear need for improvement to At-Large process, difficult implementation
- Better Alignment across GSC Committees/Boards
  - Outreach/D&I Liaisons to Committees and Boards
- Statements on D&I/Community Values
  - Alignment with parallel ExComm discussions on statements
  - “D&I Platform” and value statement to inform advocacy priorities

Preliminary Recommendation Themes

- More Outreach to Student Groups
  - Conduit Assembly, started this year, is a great initiative
  - Amplification of student voices to administration
- Cooperation with Larger Institute Initiatives
  - Nominations Board can help get graduate students in decision-making
- GSC Internal Structure
  - Is the best structure for D&I initiatives a subcommittee of HCA?
  - What would a new Standing Committee/Board look like?
  - Are there opportunities to reform internal HCA operations?

Deliverables

- March GCM
  - This presentation on preliminary recommendations
  - Open call for ideas to be included in a D&I Platform
  - Introduction of resolution to add D&I representation to the Executive Committee
- April GCM
  - Final working group recommendations and report
  - Preliminary values statement/D&I Platform points??
- Concurrent processes
  - ExComm deliberations on changes to Statement/Advocacy process

64.GSC.7 RESOLUTION TO APPOINT THE DIVERSITY AND INCLUSION SUBCOMMITTEE CHAIR TO THE EXECUTIVE COMMITTEE

Future of Diversity and Inclusion Working Group

7 March 2018

Graduate Student Council
of the Massachusetts Institute of Technology

Massachusetts Institute of Technology

Rationale for ExComm representation

- Increases breadth of representation in decision-making processes, especially at the leadership level
- Creating a more direct link between DIS and other parts of the GSC (advocacy, outreach, community building, …)
- Ensure that GSC continues to foster inclusion and equity on campus

Technical Background

- The GSC's Executive Committee (ExComm) consists of:
  - Officers
  - Committee/Board Chairs
  - Persons appointed by Council

- This resolution uses Council's power to appoint people to ExComm (GSC Bylaws II.G.1)

What does the Resolution do?

Passing the Resolution would mean that Council appoints the Diversity and Inclusion Subcommittee (DIS) Chair as a member of the Executive Committee.

Additional details:

- The Resolution mandates that the DIS Chair elections follow the procedure in Bylaws II.D.1.
- Oversight mechanisms in the GSC Bylaws relevant to ExComm members would also apply here (Bylaws II.E and II.F).

Nominations

- Elections happening on April 4th

- You can nominate yourself of others!

Officer updates

GSC Statement Approval Process

- Executive Committee is taking a look at how the GSC is currently able to approve statements and how we might be able to expedite/improve that process
- Currently, statements are passed either
  - Through Council (takes 1-2 months)
  - Through the External Affairs Board based on the Policy Platform (faster, but only works for specific topics)
- Developing suggested guidelines for how other committees can publish statements and what the approval process would look like
- Would involve platform documents passing through Council

Grad Housing

- Grad Housing Working Group in the final stretch
  - Need to finalize 3-year review process
    - Walked through the 1st draft, need to finalize
  - Need to finalize the text of the final report

- Implementation team going on 2nd round of meetings with grad dorms
  - Monday, March 5, 6pm – Edgerton (common room)
  - Friday, March 9, 8am – SidPac (multi-purpose room)
  - Monday, March 12, 6pm – 70 Amherst (basement common room)
  - Tuesday, March 13, 8am – Tang (24th floor common room)

Addressing food insecurity

- SwipeShare – Undergraduate Association program that graduate students can use
- Family food grants
  - Administered by Naomi Carton
  - Currently working on publicity

Council Rep Funding Update

- Sponsored last cycle:
  - IDSS Ski Trip
  - ANS Australia Day Party
  - INFORMS Welcome Back Breakfast (ORC)
  - HST January TGIF
  - HST Speakers & Cart
  - Biology Diversity Town Hall
  - GAME Muddy Monday (MechE)
  - Thirsty Ear & Sidney Pacific Paint Night
  - Eastgate Town Hall
  - CEE Pizza & Game Night
  - GEA Board Game Night (Econ)
  - ChemE Grad Student Social
  - Math Game Social

Reminder for Council Rep Funding

- **New cycle Feb 16th – Oct 15th**
- Available to all Council members except those who are members by virtue of their GSC position
  - i.e. Everyone but committee/board and some subcommittee chairs
- $150/rep/term or $250/rep/term with GSC or Institute committee involvement
- Double your $150 if you collaborate with a rep outside your department
- Events/items must be accessible to entire constituency
- Program info: http://gsc.mit.edu/funding/departmental-funding

About the DCI Initiative

- The called Department and Classroom Inclusion (DCI) is a new diversity and inclusion initiative launched by the Graduate Student Council's Diversity and Inclusion Subcommittee (DIS)

- **DCI** is a peer-to-peer initiative aimed at establishing Diversity Department Representatives, or ***conduits***, in all graduate academic departments and programs institute-wide.

Where WE currently stand.....

Previous *conduit* infrastructure (September 2017).....
2 departments, **3** *conduits*

.....*conduit* infrastructure (November 15, 2017)!
23 departments, **28** *conduits*

.....current *conduit* infrastructure (February 2018)!

Roles & responsibilities as conduits

Representation
Conduits should strive to **REPRESENT** the graduate peers of their department.

Communication
Conduits should **COMMUNICATE** between GSC, department leadership, and graduate students in their departments

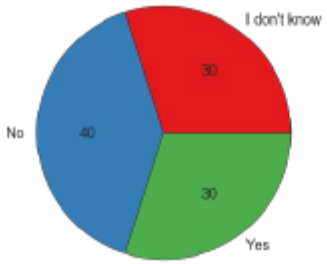
Collaboration
Conduits **COLLABORATE** and share diversity, equity and inclusion experiences and findings with Conduits in other departments

Establishment
Conduits work to **ESTABLISH** diversity, equity and inclusion best practices within their departments

Accountability
Conduits advocate for holding leadership and peers **ACCOUNTABLE** to their commitment for a diverse, equitable and inclusive department

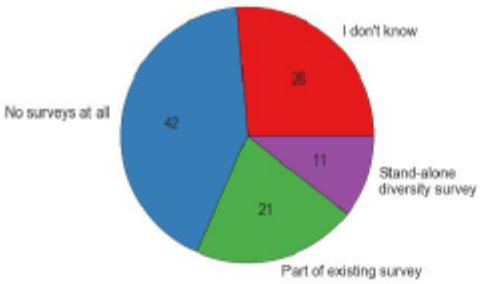
We aim to identify common challenges and successes across departments regarding diversity, equity and inclusion (DEI)

Does your department have a diversity staff member or diversity committee?



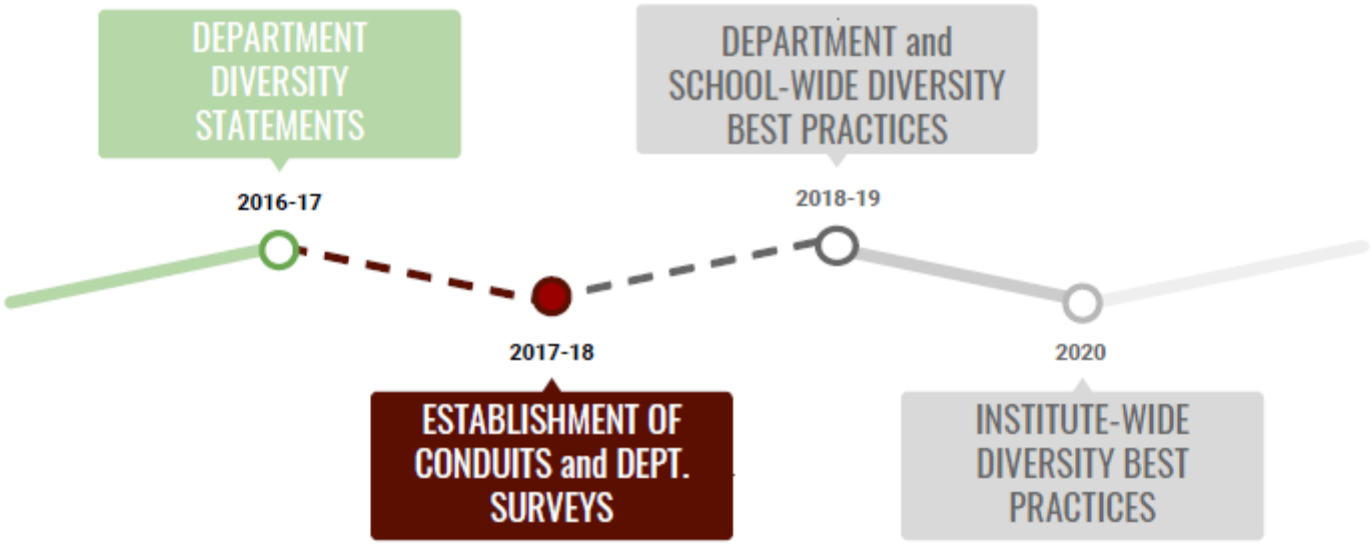
Does your department have a staff member dedicated to diversity outreach and/or initiatives?

Does your department survey students on diversity and inclusion?



Does your department have a diversity statement?

Conduits lead us toward Institute-wide change



Where DIS Stands.....

- More adequate access to ExComm (immediate concern)
- Independent platform for diversity, equity and inclusion statements
- Internal support regarding funding. Especially large Initiatives such as **DCI**
- Revamp the current structure of D&I in GSC

THANK YOU!!

MUCH MORE TO COME :-)
