- I. Introduction, Dinner, New Faces (5:30 – 5:40 PM)
  - a. Quorum Check
    - i. 41 people
  - b. Motion to approve February GCM minutes; seconded and approved.
2. Institute Discrimination and Harassment Response (IDHR) – Bianca Kaushal and Jamie Sinetar (5:40 – 6:00 PM)
  - a. Bianca is education specialist in IDHR
  - b. This is the same as Title IX and Bias Response
    - i. Trajectory of office is a revamp every 2 years: Title IX office in 2015; at first only focused on cases involving students. But there was demand for action re. issues involving other aspects of identity.
    - ii. TIXBR then focused on broader issues
    - iii. What about issues involving faculty and staff?
    - iv. Decided to push for centralization of all that work in one office
  - c. Goal of IDHR: be a single source for resources
    - i. Needed to restructure to help people know why they would come to us vs. HR.
    - ii. What kinds of incidents of bias, harassment or discrimination are covered? (slide)
    - iii. IDHR does intake & initial assessment, informal resolutions, formal investigations, education and training, and data collection.
      - I. HR is more oriented towards inappropriate conduct against faculty or staff; handle intake of complaint, informal resolutions, and formal investigations.
  - d. Data collection
    - i. You might be aware of TIXBR Annual report each year
    - ii. We don't have that data for staff/faculty cases – now we want people to report all that information in one place.
    - iii. Question: how did genetic data get in there?
      - I. Bianca: I can get back to you on that
  - e. What can we do?
    - i. Only 10% of incidents are about formal investigation

- ii. Rest of visits are informal or asking about resources
  - iii. We also do prevention education
    - I. The PI is part of those conversations, to get the message across despite the power imbalance
  - iv. Information & Referrals: tracking/data purposes; just want information
  - v. Informal Remedies: housing transfer, academic support, educational intervention, no-contact orders
  - vi. Formal investigations: would like an official finding on a policy violation
- f. How to report?
- i. File an incident on our form <http://idhr.mit.edu>
  - ii. Anonymous whistleblower hotline: <http://hotline.mit.edu>
  - iii. Via a "Responsible Employee"
- g. Please pass on to constituents and their peers! Contact [Bkaushal@mit.edu](mailto:Bkaushal@mit.edu)
- h. Questions?
- i. Do incidents involving people from other schools require you to find contact points at the different schools?
    - I. No, IDHR will work with the other schools to figure out who to involve
  - ii. How much do you rely on departmental HR resources?
    - I. We have some students that are housed in another department, but their department doesn't consider them as part of their Title-IX-based efforts
3. 66.gsc.5 – Budget Rescope (6:00 – 6:20 PM)
- a. Presented last month; not too many changes
  - b. Most changes are just moving money within a sheet
  - c. ExComm
    - i. It's hard to hit \$10/person for 4 people; average each week was \$52; we took the remaining meetings, and assumed \$13/person. This is adding an extra \$500-ish to make that up.
    - ii. Increasing \$ for holiday reception
    - iii. Taking all the extra \$ out of the officer discretionary
  - d. Nominations board – same
  - e. Funding board
    - i. Orientation dorm event fund was underspent a little bit.

- f. P&P not changing
  - g. ASA not changing
  - h. AC moving \$ from coffee hour into outdoor activities line.
  - i. ARC is not making any changes
  - j. HCA monthly meetings are very well attended – adding more \$ to that
    - i. Wellness subcommittee hasn't done much, so they're taking \$ from there
  - k. Orientation is done – we put in the \*actual\* budgets for orientation. The only really weird thing was that one of these lines has \$ from last year's orientation in there that fall into this year's orientation.
  - l. Muddy is \$0 as usual
  - m. EAB
    - i. Actuals for NAGPS and Ivy+ being moved to public outreach and northeast regional conference which is happening in a few weeks
  - n. DEI
    - i. Relatively new committee; lots of changes. Really big change is the DEI Fellows program, which they'll give updates on.
    - ii. They're taking the \$ for that from conference travel
    - iii. Diversity training going up a little bit.
    - iv. New item: grad students will be trained to hold conversations about race and social justice – happening this weekend.
  - o. Vote
    - i. 41 Yes, 2 No, 2 Abstain – the change passes
4. 66.gsc.6 – Bylaws Update for Quick Typo Fixes (6:20 – 6:35 PM)
- a. Formal language being introduced right now.
  - b. To modify the bylaws, you have to introduce a resolution, and pass it with a 2/3 vote.
  - c. We noticed there are minor grammatical issues
  - d. This resolution will allow the Executive Committee to make minor changes by a vote within itself, and then council can vote to veto
  - e. Questions
    - i. Comment (Alex): This will only go into effect after council has had a chance to veto.
    - ii. Motion to accelerate and seconded.
    - iii. Any discussion on that motion?
  - f. Vote with placard:

- i. Approved with 0 no's/abstentions
      - g. Vote with clickers
        - i. 43 yes, 1 no, 0 abstain; hits 2/3 required majority, so bylaws amendment passes.
5. 66.gsc.7 – Funding Travel Grant Recipients Affected by COVID-19 (6:35 – 6:50 PM)
  - a. Lots of conferences are being cancelled
  - b. We will recover non-refunded \$. Any \$ left over can be used to fund travel to another conference of their choice within the next fiscal year.
  - c. Next fiscal year is May/June
  - d. Question from audience: Does MIT travel insurance cover cancellation?
    - i. Travel grants are reimbursements – it's harder to control whether people use it or not
    - ii. This is basically a workaround so that before the end of the fiscal year, that's when all the totals are counted. This resolution would take any leftover \$ into reserves
  - e. Comment from audience: We don't know about what will happen next year
  - f. Comment from audience: include a separate application to apply \$ to a new conference
    - i. Alex: I'm not sure whether travel is done through MIT or not (re. insurance)
  - g. Funding board goes through appeals process – the reassessment could be through the Travel Grant committee or a similar group.
  - h. Are there any safeguards against people saying they didn't get a refund?
    - i. People have to show that they tried and failed to get a refund
  - i. Comment: there might be a wording issue re. “any expenses associated” – maybe just reimbursing the cancellation fee could help prevent people from being lazy and just getting the \$ from GSC.
  - j. Amendments were introduced to add Travel Grant chair approval for new conference / expenses
  - k. Motion to approve amendment seconded; no comments.
  - l. If we amend/vote on this this month, we need to accelerate.
    - i. Motion to accelerate unanimous yes via placards
  - m. Motion to amend
    - i. Seconded
    - ii. Discussion

6. GSC External Mediation Update (6:50 – 6:55 PM)
  - a. Why we keep bringing this up – we want your feedback
  - b. iREFS got back to us and are interested in being another avenue for feedback – they don’t want to be an advocate for either side, and would prefer to aggregate things and give weekly or bimonthly feedback to preserve anonymity.
  - c. Next thing: need to make sure wording on Google Form is approved by both iREFS and ombuds.
7. Explainer on GSC Impeachment Protocol (6:55 – 7:05 PM)
  - a. Location: Article IV Section E
  - b. Starts with a vote of no confidence petition presented + signed by 3+ council members; ExComm counts too
  - c. Council votes (majority vote) on a neutral presiding officer during the proceedings; they can’t be anyone on the petition and can’t be an officer
  - d. Hearing should take place up to 6 weeks after. Cannot be on an MIT holiday
  - e. Hearing is a case for the officers’ conduct, then a case against the officers’ conduct; requires a 2/3 vote to impeach
  - f. About a 2 month process
  - g. Any questions/comments/concerns?
    - i. None
8. Housing Update (7:05 – 7:35 PM)
  - a. Mostly around Site 4 and Eastgate
    - i. Site 4 rates are much, much higher than the Eastgate rates (59%)
    - ii. Eastgate transition subsidy was offered to Eastgate residents – 15% discount. Also offered an additional subsidy based on their financial situation. They were offered a subsidy on top of the

15% discount. The min subsidy was \$0, and the max was 5.5% above Eastgate rates.

### iii. How did subsidy go?

1. Comment from audience: I got maximum subsidy.

2. They were assessing based on current year income/expenses, not next year's

### b. What about other housing commitments?

i. 550 new beds, affordable with a 3<sup>rd</sup> party developer; will likely be as cheap as possible

### c. Is there any effort to see the effect of Site 4 on nearby property rates?

i. Alex: I haven't heard any specific plans for that. Interestingly, part of the Kendall Square idea was to help people connect with Cambridge

### d. Current market for grad housing has very different segments

## 9. Officer Nominations are officially open (7:35 – 7:40 PM)

a. We can start nominating people now, in theory

b. We'll send you a link to the elections page on the GSC website – it has a picture and you can put down a statement, and you need to put what position you're running for. We also want to hold a "meet the candidates" coffee hour a week or so before the election.

c. Also there's a leadership open house if you want to talk with ExComm or future ExComm

### d. Nominations
