Comments FY21 and Breakdown	GSC Net
(12 months x \$10/person x 12 people = \$1440 => keep @ \$1500). Supports one Board Meeting per month	-\$1,500.00
(12 months x 4 subcommittee meetings/month x 7 people x \$7). Subcommittees have become more active: State & Local has ramped up Statehouse Visits and Cambridge city engagement, University Liaison is now coordination (and sometimes hosting) meetings with other MA graduate student governments	-\$2,000.00
MIT is hosting the Ivy+ Summit this year, but we receive \$1500 from each of the 10 attending school (including ourselves), which we expect will cover all costs. This includes all meals/beverages for two days for ~50 participants, room reservations, and hotel block subsidies.	-\$1,800.00
Hotels + flights +(4 participants x 3 days x \$20 travel/food). Costs adjusted based on locations of conferences and expected flight/hotel costs. We'd planned to host last year, so our travel expenditure decreased but our events expenditure increased. This reverts us back to the amount previously budgeted for years where we did not host	-\$4,300.00
(2*(hotels + flights + 4 participants x 4 days x \$20 travel/food)). Same number of participants as last year. Flights and lodging vary significantly, but it seems to be doable at the current levels.	-\$7,500.00
Federal: hotels + flights + (6 participants x 3 days x \$20 travel/food). One standard extra trip per year plus two attendees at AAAS CASE. CASE registration fees have gone up. State: \$25 food/travel x 6 participants x 2 visits. More people have been participating in state-house visits and we would like to cover costs	-\$4,200.00
