Move-In and Fall 2020 Updates

Responding to and Supporting Students who Test Positive for Covid-19
Principles

1. Protecting *privacy and confidentiality* and prioritizing the wishes of the positive student
2. Taking an *individualized approach* to each situation, while also following protocol
3. Maintaining *trust* stakeholders, easing community anxiety, and providing support
4. “Learn as we go” and continuously improve
Support Protocol

The support protocol includes information regarding:

- Medical Care
- Logistics
- Support
- Food
- Mail/Packages
- Facilities
- Security

Preparedness for a possible surge
